4-H Camp Ambassador Training

Building Your PowerPoint

BACKGROUND

Camp Ambassadors should leave the training session with the tools needed to promote camp effectively to a variety of audiences. One such tool is a camp promotional PowerPoint.

WHAT TO DO

Activity:
Pair youth up to create their own PowerPoints for use in promoting camp. Discuss what such a PowerPoint might include:

- Pictures of youth having fun safely
- Camp facilities
- A variety of camp activities
- Camp dates and fees

Provide each team with the camp dates/fees handout, a laptop, access to camp pictures, and so on.

Provide ample time for the teams to create a PowerPoint.

Ask each team to share their PowerPoint with the whole group. Provide feedback on spelling, grammar, accuracy of information, and so on.

Provide time for the teams to make the necessary edits.

Give each team member a copy of their PowerPoint on a flash drive. The flash drive might also contain copies of your camp’s most recent promotional brochure, the camp dates/fees handout, and so on.
