Note:

Applications are due April 1st. Counselors will be notified of their status on or before April 15th.

Special Needs Camp counselors will be expected to complete their training hours (20 hours for counselors who have counseled before, participating in various state/county planning/training sessions.) Educators that provide training will be asked to certify that counselors have met this requirement before July 1st (6 hours will be provided onsite by the Camp planners.)

Special Needs Camp counselors will receive no stipend for counseling. However, they will also pay no fees to participate. Special Needs Camp is sponsored in part by a grant from the Ohio 4-H Foundation that covers the cost of counselor participation at Camp.
